Safety Programs

Safety escorts: free program for UCI community. Campus Safety Officers will escort you to your destination. Call (949) 824-SAFE to request an escort.

CARE (Campus Assault Resources & Education): provides assistance and information in the areas of rape and sexual assault, relationship health, intimate partner violence and gender issues. Call (949) 824-7273 for more information.

EMERGENCY PLANS & COMMUNICATION

Emergency management materials at <http://snap.uci.edu/viewXmlFile.jsp?resourceID=1404> provide guidelines for what to do in a variety of emergency situations. Certain situations may require that the campus be secured. Information describing what this entails and how campus personnel communicate important information to the campus community can also be found on this website.

Be sure to view the zone map at <http://www.ehs.uci.edu/em/zonemap.html> to make sure you know where to go in an emergency.

Campus Safety 411:

What You Need To Know

Safety Checklist

- Be aware of what's happening around you
- Utilize available educational resources
- Familiarize yourself with emergency plans and procedures
- Keep emergency supply kits at home, at work, and in your car

The University of California, Irvine is committed to providing a safe and respectful environment for everyone who works or visits here. We encourage you to familiarize yourself with campus safety resources and to utilize them whenever necessary.

Resources for Faculty and Staff

EDUCATIONAL RESOURCES

Several classes are provided to assist faculty and staff in protecting themselves and others.

Workplace Violence Prevention

This workshop explores common causes of workplace violence, examines indicators of potential risk, looks at prevention strategies, and provides resource information.

Call (949) 824-8355 for details or to request a

workshop for your department/school.

Stress Management Workshop

The Faculty and Staff Counseling Center will come to your office, department, or school to discuss one of the following topics: managing change, adjusting to change, relaxing amid stress, or managing conflicting demands.

Call (949) 824-8001 for details or to request a workshop for your school/department.

Rape Aggression Defense (R.A.D.) program

This program provides women with the techniques and concepts needed to defend oneself.

Please visit <http://www.police.uci.edu/services/rad.html> to register.

radKIDS program

radKIDS provides educational opportunities for children and parents concerning awareness and self-defense strategies, instilling confidence and reducing the possibility of being involved in adverse

situations. Please visit <http://www.police.uci.edu/services/radkids.html> to register.

SAFETY INFORMATION AND PROGRAMS

The following materials have been compiled to prepare you for various situations.
