

CLASS 3b AND CLASS 4 LASER REGISTRATION FORM

Principal Investigator: _____

Department: _____

Date: _____

Page: ____

	<i>SPECIFIC LASER INFORMATION</i>					
	Laser 1	Laser 2	Laser 3	Laser 4	Laser 5	Laser 6
SYSTEM I.D.						
Location of laser: Building						
Room						
Type of Laser (Argon, Nd:YAG, Diode, etc.)						
Laser Class (3b or 4)						
Manufacturer						
LASER SPECIFICATIONS						
Operation Mode* (CW, SP, RP, QS, ML)						
Maximum Power (mW or W) or Pulse Energy (mJ or J)						
<i>For RP laser only:</i> Pulse Repetition Frequency (Hz)						
<i>For pulsed laser only:</i> Pulse Duration						
Wavelength(s) Produced (nm)						
Optical Density Required (EH&S to determine)						

* CW = continuous wave; SP = single pulsed; RP = repetitively pulsed; QS = Q-switched;
ML = mode locked {Note: More than one category might apply, such as RP, QS.}

 Please return this form to Rick Mannix, UC Irvine Laser Safety Officer, at EH&S, Zot Code 2725, or call 949-824-6098 for more information.
