

Food Services

Help improve water quality by minimizing pollutants such as trash, chemicals, and eroded soil from entering the storm drain. Prior to an anticipated rain event, please inspect your area and review these guidelines.

Clean floor mats, filters, and garbage cans in a mop sink or over an indoor floor drain. Don't wash them in a parking lot, alley, sidewalk, or street.

Recycle grease and oil. Don't pour it into sinks, floor drains, onto a parking lot, or street.

Clean using a broom or mop instead of hosing the area with water.

Keep trash area clean and dumpster lids closed. Don't fill it with liquid waste or hose it out.

Dispose of mop water in an indoor sink.

Remember, only rain in the storm drain.

Report hazardous materials spills, dumping, or non-storm water discharge into the storm drain system:
Call Environmental Health & Safety (949) 824-6200

Report water leaks or irrigation issues:
Call Facilities Management (949) 824-5444

Contact **EH&S** at (949) 824-6200 or safety@uci.edu for questions.
