The Higher Education Opportunity Act (HEOA) requires that certain information pertaining to the Fire Safety in Student Housing Buildings of current or perspective students and employees be reported on and readily available for viewing by ¹ any interested party.

HIGHER EDUCATION OPPORTUNITY ACT

INTRODUCTION

Fire Safety is an essential tool in protecting a campus community from injuries, deaths, business interruption, and property damage resulting from fires and related perils. Fire Safety includes education, training, and policies designed to ensure all students, staff and faculty of these institutions are aware of and understand the elements that help to ensure the safety of all.

In an effort to standardize the information that an institution publishes in regards to their own fire safety, the Department of Education developed a new law called Higher Education Opportunity Act (HEOA). HEOA is intended to ensure a reasonable and consistent notification of fire related incidents on University of California, Irvine administered housing units.

OVERVIEW

In August of 2008, the Department of Education passed a law (Public Law 110-315) stating that all Title IV eligible institutions that participate in any Title IV program and that maintain on-campus student housing facilities publish an annual fire safety report, maintain a fire log, and report fire statistics to the Secretary of Education. Starting October 2010, the report must be publicly disclosed.
