LAB COAT SIZE CHARTS

You will be receiving two of each lab coat type indicated on your LHAT PPE Voucher. You will only receive a Traditional coat if no other coat type is listed. There are two styles of coats to choose from, Women's Fit (tapered at the waist) and Men's Fit (cut straight), and a variety of sizing options from 2XS -3XL (and longer sleeves for size L and XL in the Men's style).

Refer to the size charts below and select a style and size that fits comfortably. Indicate your lab coat style and size on the Virtual PPE Fitting Form (eg., Women's Medium; Men's Large-Long)

If you have any questions or have selected a lab coat size that does not fit, please email ehs-ppe@uci.edu.

Note: Flame Resistant lab coats run slightly smaller. If you are between sizes, please select the larger size.
