

## PRESCRIPTION SAFETY EYEWEAR PROGRAM

- Do you wear prescription eyeglasses in the lab?
- Do you have a current\* prescription for eyeglasses?  
\* within the last 2 years
- Have you completed the Laboratory Hazard Assessment Tool (LHAT) requirements and received your Personal Protective Equipment (PPE)?
- Would you like to see if you are eligible for a free pair of prescription safety eyewear?

*Interest in the program and meeting eligibility requirements does not guarantee prescription safety eyewear; referrals are given on a first come, first serve basis.*
